Sub: Resignation as General Secretary, B.V.S.

Respected Captain Sb.,

No allegations and no counter allegations. I hereby tender my resignation as General Secretary, B.V.S. Delhi. I do not want to spoil my remaining part of life for petty things. Till now, whatever I did for Sabha, I did it for स्वानतः सुखाय। I did it for my own pleasure, for my own happiness, nothing for others. Whole life spent in nourishing the Sabha. But I find that for the last one year an atmosphere of chaos has been created by some persons of vested interests. Abusing, accusing, feeling of distrust etc. have made the situation in the Sabha very very unhealthy. This is not conducive and hence not acceptable to me. I am unable to adjust myself with this type of culture.

I, therefore, request you kindly to accept my resignation without any further delay and oblige me.

Regards,

Affectionately yours
